

Administrators -

Must meet the same eligibility requirements as a user, in addition to the following:

Complete a BI investigation type. This is more comprehensive than the NACI investigation type conducted for general users.

Complete the required 8 hours of annual security training (24 hours of initial training or security certificate) per the Security Education, Training and Awareness Program (SETA)

At this time, it is desired, but not yet mandatory, for all administrators to have a CAC;

An Administrator s hall not be a Foreign National (FN).
